

YOUR NEXT ON-SITE SERVICE

Why Jet Dental?

01 A Benefit Your Company Already Offers

At Jet Dental, we bring the dentist to your workplace. Jet Dental is free to your company! We are in-network with every major insurance carrier in the country, we simply bill the insurance you already offer. Procedures typically covered include a comprehensive exam, x-rays, cleaning and cavity fillings.

02 Convenience

Over 380 million hours of school or work are lost each year from people visiting the dentist. With our convenient on-site setup, your employees can get their preventive work done in an average of 40 minutes.

03 Improve Your Employees Health

Recent surveys indicate that nearly half of Adult Americans are not visiting the dentist annually and about half have gum disease. People with gum disease are twice as likely to die from a heart attack and three times as likely to suffer a stroke. The people who sign up for our service are the ones who need it most:

80% of the employees we see have not been to the dentist in over two years.

7/10 employees have cavities.

04 Dental Care, That Cares

Jet Dental passionately believes in giving back to the communities we live in. For every company we serve, we provide free quality dental care for a family or individual in need through our own Hayes Hope Dental™ Clinic.

By making it convenient we enable your employees to actually use their benefits. Poor oral health has been linked to serious medical problems including hypertension, diabetes, oral cancers, kidney failures, and heart disease. With proper treatment planning, we can improve your employees' health and give them a more confident smile.
