Did You Know?

80% of the patients we see at our mobile clinics haven't seen a dentist in over 2 years.

Cost to Employee

- Most dental insurances covers cleanings at 100% - plan specific benefits apply
- The cost of preventative cleanings and additional services are based on the plan you're enrolled in (if a dental customer) and direct pay (if not a dental costumer).

No additional costs to FujiFilm.

- We bill directly to your insurance just like a regular dental office.
- No insurance? Our of pocket price is just \$150.
- Jet Dental services are available to Fujifilm employees and their family members.

Services Offered

- Preventive cleaning (Cleaning, X-rays, Comprehensive Exam).
- Cavity Fillings *copay applies.*
- Scaling and Root Planing (Deep cleaning for those with gum disease; usually a result of not visiting the dentist for several years) *copay applies.*
- Professional Teeth Whitening \$199 *Cosmetic out of pocket service; not an insurance benefit.*
- **WALK INS WELCOME!**
